

The FCC needs to get involved here. I just saw excerpts from a blatant, politically motivated anti-Kerry documentary which Sinclair Broadcasting is forcing their stations to air. This is a perfect example of the dangers of media consolidation.

How is this a fair use of the public airwaves? Isn't this directly against the law when it comes so close to election time?

Please intercede in this obvious corporate maneuver.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.
